

Rosis Sharma

(315) 925-9646 | rs9110@rit.edu
www.linkedin.com/in/rs9110

OBJECTIVE: Front-end web developer seeking co-op using strong programming skills in HTML, CSS, and JavaScript. Available January 2020 – August 2020.

EDUCATION

Rochester Institute of Technology (RIT), Rochester, NY
Bachelor of Science, Web and Mobile Computing

Expected May 2021

Onondaga Community College (OCC), Syracuse, NY
Associate of Applied Science, Computer Information Systems

August 2015 – December 2017

SKILLS

Programming Languages: HTML, CSS, JavaScript, Ionic (Apache Cordova), Java, PHP

Software: Visual Studio Code, IntelliJ, WordPress, InVision, Sketch, Illustrator

Operating Systems: MS Windows, Mac OSX, Linux/Unix, iOS, Android

PROJECTS

Diet Manager, Software Design Principles and Patterns January 2019 – May 2019

- Collaborated with a team of five to develop a weight loss tracker app
- Designed with UML diagrams and built with Java through IntelliJ
- Utilized git version control for concurrent editing within the group

IST Redesign, Client Programming January 2019 – May 2019

- Used material design library to create a replica of RIT's IST department site.
- Built on HTML and C Sharp.
- Pulled all of the data from IST's API using JavaScript

Data-Driven Mobile Website, Foundations of Mobile Design January 2019 – May 2019

- Built mobile site where the data was dynamically rendered from JSON file
- Incorporated responsive images with the script from adaptive-images
- Implemented dynamic navigation through the site using AJAX

WORK EXPERIENCE

Creative Services Intern, Digital Hyve
Student Web Developer

July 2019 – August 2019
Syracuse, NY

- Developed client's sites using WordPress
- Fixed bugs and updated the site to meet client's need
- Collaborated with a team to create mockups that fit the client's vision
- Improved critical thinking and problem solving skills
